

20/20 LOOKING TO THE FUTURE

A Vision of Canada's Marine Industry in the year 2020

May 5th & 6th

Victoria, BC

<http://www.cimare.org/Maritech/>

With aging fleets and announcements by the Federal Government of a new procurement strategy with \$35 Billion earmarked for vessel replacement, Canada's marine industry is posed for a new era in shipbuilding.

The recent introduction of hybrid vessels like the Foss tug "Carolyn Dorothy" and with ever changing economic and environmental pressures, we are likely to see a very different marine industry in the future.

Mari-Tech 2011 - Canada's only national marine exhibition - will bring together industry leaders in propulsion, the environment and ship building as well as, regulators, owners and operators to discuss and debate the direction the marine industry may take from here.

Join us in Victoria, May 5th and 6th See what the future is!

Who Should Attend

- Ship-owners & Operators
- Charterers and Brokers
- Marine Insurance & Legal services
- Shipbuilders and Ship Repairers
- Flag State Authorities
- Port Authorities and Port Agents
- Classification Societies

- Government Regulators

Venue & Hotel

The Delta Ocean Point Resort is the venue for this year's Mari-Tech. This is one of Victoria premier hotels and is conveniently located on Victoria's Inner Harbour, a short, pleasant stroll for those who want to explore more of Victoria.

50 rooms have been set aside at a special Mari-Tech rate of \$149 but will not be available after April 1st.

Book your rooms online at <http://www.deltavictoria.com/gmpme2>

If you would like to extend your stay beyond the dates of the conference or book by phone, please contact the hotel at:

Delta Victoria Ocean Pointe Resort and Spa
45 Songhees Road
Victoria, British Columbia
1-888-890-3222
Please quote block code "GMPME2"

Special Events

Come join us at one of BC's premier wineries for a tour, wine tasting and dinner.

Church & State Winery is one of BC's up and coming wineries. As a special event for the evening of Thursday, May 5th we have organized a fantastic tour of their Brentwood Bay Winery followed by a tasting of their award winning wines which will be followed by a gourmet dinner expertly paired to their award winning wines. This Special Event is available at an additional cost of \$60 above that of Mari-Tech registration. Please note that space is limited. This event may be booked at the time of registration.

Transportation will be arranged from the Delta Ocean Point Resort.

Please join us to see the best of what BC can offer.

Papers

If you are interested in presenting a paper in line with the theme of this years Mari-Tech conference, please don't hesitate to contact Roger at r.trant@shaw.ca or any member of the Organizing Committee.
